In preparation for the Bible study on Friday, February 1, please read through Revelation and answer the following questions. The purpose of the questions is simply to provide an overview of the information included within the book of Revelation.

To help organize the information in Revelation, this worksheet will divide Revelation into five parts. Please understand these sections are just to help organize the information. They do not reflect any style or form of interpretation. The sections are simply a way to see the contents in smaller pieces.
